Economic Ethics: the Theoretical Foundation and Subjects of the Times

Yu Dahuai Zhao Cangli Cheng Guangli

Abstract: As nowadays market determines everything, the theoretical foundation has roots in theory of free and full human development, theory of economic order, theory of institutional change, and theory of social justice. The subjects of research involve ethics in economic globalization, ethics in all fields caused by financial crisis, and the political dimension in economic ethics.

Keywords: economic ethics; economic order; social justice; institutional change
