## Three Historical Perspectives on Socialism with Chinese Characteristics for a New Era

Zhou Yizhi

Abstract: There should be three historical perspectives for understanding socialism with Chinese characteristics for a new era. From the historical perspective of the development of the Chinese nation, socialism with Chinese characteristics for a new era is an era towards the peak of glory again for the Chinese nation. From the historical perspective of the development of global socialism, it is an era towards the revival of scientific socialism. From the historical perspective of modern world development, it is an era towards the beginning of a new pattern of human modernization.

Keywords: The 19<sup>th</sup> CPC National Congress; socialism with Chinese characteristics for a new era; historical perspective
